

MINNEAPOLIS CLUB

Letter from the President

Dear Minneapolis Club Members,

Effective today, March 17, 2020, 2:00 p.m. we will be closing Club operations until April 1, 2020.

Without any doubt, you too, are continuing to learn more about the world, national, state and local involvement with the coronavirus. Locally, our City and State agencies are working to develop methods and protocols to deal with each new area of the community impacted or touched by this situation. Your Minneapolis Club is no different.

This closure applies to the entire Club facility. The Grill, Bar, Pub, Fitness, Pool, Locker Rooms, Squash, Hotel Rooms and all Catering functions will close following the lunch service tomorrow, Tuesday March 17 and will not reopen until April 1, 2020. Your access cards will not function to open doors for entry into the Club. The Parking Ramp will remain open for monthly parkers; however, there will be no access to the skyway through the Club.

We ask for your cooperation and understanding, as we attempt to manage our way through this incredible situation and governmental guidance to close many establishments such as our own. We have had to furlough the majority of our 140 employees as a result of this current situation, while expecting to bring them back, once this coronavirus (COVID-19) has subsided. I hope I can count on all of you for your support.

Thank you for your understanding.

Sincerely,

Mike Casey, President
